

Sector Overview

AREAS OF INTEREST

BUILDING PRODUCTS AND SERVICES

- Energy Efficient/Green Products
- Product Substitution/Conversion Opportunities
- Installation and Repair Services

INDUSTRIAL DISTRIBUTION

- Wide Variety of Niche Industrial Markets

INDUSTRIAL SERVICES

- Environmental Services
- Facilities Management

INDUSTRIAL TECHNOLOGY

- Automation
- Material Handling
- Control Systems

LIGHT MANUFACTURING

- Niche Market Leaders

PACKAGING

- Plastic Packaging
- Specialty Films

SPECIALTY CHEMICALS

- Adhesives, Sealants, Coatings, Pigments, Polymers and Surfactants
- High Value Specialty Chemicals and Materials

TRANSPORTATION

- Auto, Marine, Rail, Trucking
- Asset-light and Non-asset-based Logistics

INVESTMENT CRITERIA

COMPANY ATTRIBUTES

Experienced management team; established track-record; sustainable competitive advantages; attractive growth opportunities

ENTERPRISE VALUES

\$100 to \$500 mm

GEOGRAPHY

North America

OWNERSHIP

Majority positions

EQUITY INVESTMENTS

\$50 to \$150 mm

FUND

Currently investing our 10th fund with commitments of approximately \$1.7 billion
