

Sector Overview

AREAS OF INTEREST

AEROSPACE AND DEFENSE

- MRO and Related Services
- Specialty Manufacturing
- Distribution

BUILDING PRODUCTS AND SERVICES

- Product Substitution/Conversion Opportunities
- Installation and Repair Services

CONSUMER PRODUCTS

- Enthusiast and Active Lifestyle
- Consumable Home and Personal Care

FOOD AND BEVERAGE

- Products and Distribution

INDUSTRIAL SERVICES

- Environmental Services
- Facilities Management

INDUSTRIAL TECHNOLOGY

- Automation and Material Handling
- Control Systems

LIGHT MANUFACTURING

- Niche Market Leaders
- Plastic Packaging
- Specialty Films

SPECIALTY CHEMICALS AND MATERIALS

- Adhesives, Sealants, Coatings, Pigments, Polymers and Surfactants
- High Value Specialty Chemicals and Materials

SPECIALTY DISTRIBUTION

- Wide Variety of Niche Markets
- Value Added Services

TRANSPORTATION AND LOGISTICS

- Auto, Marine, Rail, Trucking
- Asset-light and Non-asset-based Logistics
